

We are going to the library.

The library is a place where I can look at, read, or borrow books.

This is also where I return books I borrowed. It is important to return books so that other people can use them.

They also have magazines, videos, and music.

My library may be closed on holidays and at other times.

I can call my library to find out if they are open.

At The Library Part 1: What is the library?

There are many things to do at the library. I can use the computer.

When I use the library's computer, it is on a timer. When my time runs out, I may need to let someone else use it.

I can also bring my phone, iPad, or other devices to the library to use there.

There may be a children's room at my library.

Sometimes, there are games and toys that I can play with in the children's room.

I may have to share games and toys and let someone else use them.
