HOW TO DO YOUR LAUNDRY

Everyone wears clothes, and everyone's clothes get dirty.

I need to learn to do my laundry to clean my clothes.

I put my dirty clothes into a hamper or basket.

When the hamper or basket is full, I sort my dirty clothes.

I sort dirty, light-colored clothes and dirty, dark clothes.

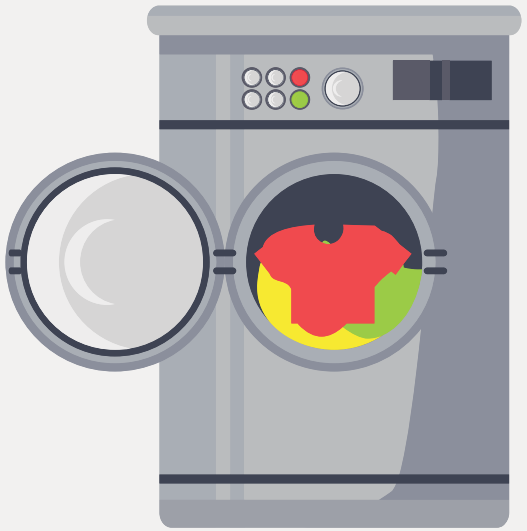

I now have a pile of dirty, light clothes and a pile of dirty, dark clothes.

HOW TO DO YOUR LAUNDRY

I put one of my piles of dirty clothes in the washer.

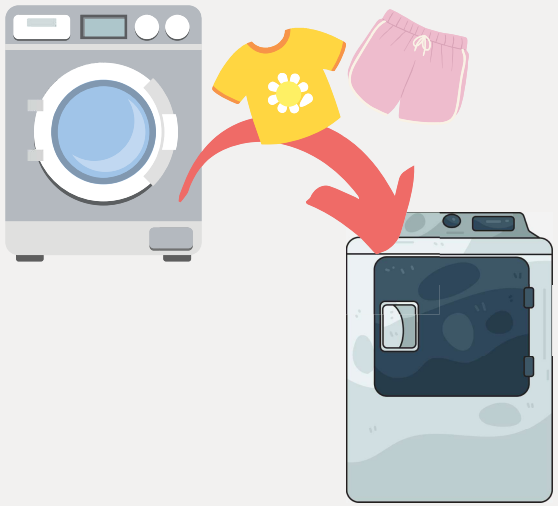

I add laundry detergent, close the washer, and turn it on.

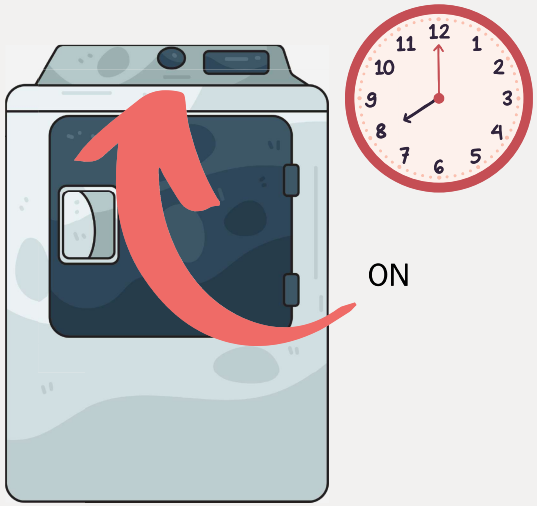

I wait until the washer is done.

I take the clothes out of the washer and put them in the dryer.

I close the dryer, turn it on, and wait until it finishes.

I take my clothes out of the dryer and fold them. Now, my laundry is finished.
