

# Peer Pressure

Sometimes people might tell me to do things that are wrong.

It can be confusing to know what I should do.

I should think if it's a good choice or a bad choice.

If it makes me uncomfortable, hurts me, or I could get in trouble, it is probably a bad choice.

If I am not sure if it is a good choice or a bad choice, I can ask other people for help.

I am allowed to say "no" if I think I am being asked to do something wrong.
