

911 is a phone number I can call if there is an emergency.

CALL
911

If I call 911 someone will answer my call and try to help me.

911, what's your emergency?

The police, ambulance, or fire department might be sent to help me.

I should only call 911 if there is an emergency.

An emergency might be a fire, a car accident, or if someone is being hurt or attacked.

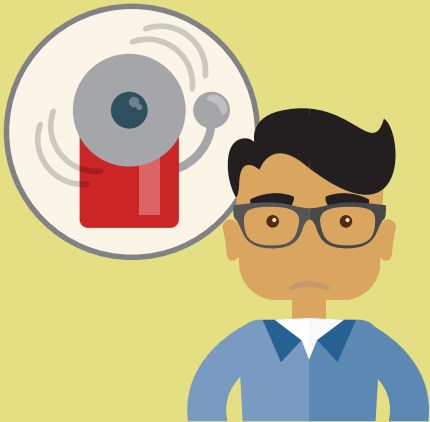

If I call 911, I should tell the operator, the location of the emergency and answer all questions.

When to Call 911: Part 2

I should only call 911 when there is an emergency.

I should not call 911 if there is a loud party or a dog barking.

I should not call 911 if there is a power outage.

I should not call 911 if I have a cold or flu.

I should only call 911 if an injury is severe.

If I am not sure if it's really an emergency, I can ask the 911 operator.
