

At the Library: Checking out books & materials.

When I find a book I would like to take home, I need to show my library card to borrow the book.

Then I can take the book home.

There may be a limit to the number of things I can borrow at one time. There may also be a limit to how many times I can check something out.

When the book is due I will return it to the library.

Library staff will give me a receipt that has a return date for the book on it.
