

Medicaid Waivers/Programs for Adults with Autism in Pennsylvania:

What Services are Offered?

Are you looking for more information about the home and community based services offered in the Medicaid-funded programs for adults with autism in Pennsylvania? Learn about the program options and services below!

Important Note: There is a waiting list to receive the Medicaid waivers/programs in Pennsylvania. Individuals must be enrolled in one of the waivers/programs listed below to get these services. Some services may need approval before program participants can get them. The services that program participants get are based on their individual needs and must be approved and authorized in their plans. Also, the availability of providers by service may be different by county. Check the program provider directories to learn more.

Bureau of Supports for Autism & Special Populations (BSASP) Programs
