

# TAXI TIPS

If I need a ride in the city,  
I can take a taxi.

If I see the yellow taxi with a lit  
up "available" sign on top, I will  
stand on the sidewalk and wave  
the driver down.

I will tell the driver the exact address  
of where I need to go and make  
sure I have enough money to pay  
for the fare **and** a tip.

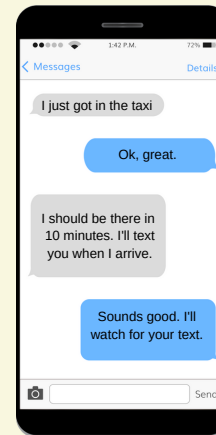

I need to go to  
250 Main Street in  
Hershey.

I will get into the backseat of the  
taxi with my all of my stuff.

For my safety, I will wear my seatbelt,  
tell a friend/family member where I'm  
going, and be respectful of the driver.

I will wait for the driver to unlock the  
door when we arrive. I will thank the  
driver, take my things, and exit.
