

Easton Parent Support Group

Faith Lutheran Church

2012 Sullivan Trail

Easton, PA 18040

November 12th from 2-4 PM

Do you have a child or adolescent who is on the autism spectrum or has an intellectual disability? Would you like to meet other families who share your world? We welcome you.

Although we are taking a break from a presentation, there is NEVER a break in our care and support for each other! Our November meeting provides a valuable opportunity for families to interact in a relaxed, nonjudgemental atmosphere. We welcome you to come and connect with other families.

Please RSVP to Leslie at leslie.mckelvey@yahoo.com

*** Refreshments provided**
