

ECHO AUTISM @ CHOP

While You Wait

ABOUT US

While You Wait is a free evidence-based virtual community designed for families of children awaiting an autism evaluation or access to developmental services. During each session, families will learn from a multidisciplinary group of autism and developmental experts about what they can do while they wait for that next appointment.

WHEN

Every 2nd Friday
1:30-2:45pm EST, Sept 2024-June 2025

WHAT TO EXPECT

Each 75-minute session will include:

- ◆ A presentation from subject matter experts about key topics and best practices for your child
- ◆ An interactive discussion about a clinical case study
- ◆ A Q&A with the presenter and the opportunity to provide feedback
- ◆ Access to relevant resources to continue your learning journey and support your child
